THE MORTON ARBORETUM

The Prairie Light Review recognizes the valuable contribution that the Morton Arboretum makes to the people of DuPage County. For many of us the Arboretum is a sanctuary to escape to. It is also a place for discovery and wonder. Current plans call for a tollway to run through the southeast corner of the Arboretum. This tollway will damage and even destroy a portion of its beauty. Our Spring Issue will be dedicated to the Morton Arboretum. Please share with us your feelings about the Arboretum through your poems, short stories, essays, and photographs. See page 15 for more details.
